In response to the Restriction Requirement mailed June 14, 2005, Applicant elects Group I, claims 1-6, 29-30, 35-86 for prosecution, with traverse. Applicant further contends that at least claim 1 of Group I is generic to claims 7-28 of Group II, and that at least claim 29 of Group I is generic to claims 31-34 of Group II. Should a generic claim be allowed, Applicant would be entitled to consideration of claims of Group II that are written in dependent form or otherwise include all the limitations of an allowed generic claim as provided by 37 CFR 1.141.

The Examiner is invited to contact Applicant's Representative at (612) 312-2204 if there are any questions regarding this Response or if prosecution of this application may be assisted thereby.

Respectfully submitted,

Date: 14 JUL 05

 Thomas W. Leffert
